

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ADJUSTMENT OF THE AMRP RIDER)	CASE NO.
OF COLUMBIA GAS OF KENTUCKY, INC.)	2011-00086

ORDER

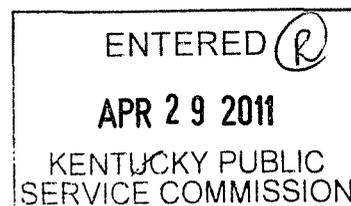

On March 8, 2011, Columbia Gas of Kentucky, Inc. ("Columbia") filed its Accelerated Main Replacement Program ("AMRP") Rider 2011 annual update data with this Commission, along with proposed increases to AMRP rates for customer classes subject to the rider. On April 15, 2011, Columbia responded to Commission Staff's data request, supplementing the record with information regarding breakdowns of charges per project, among other things. There are no intervenors in this proceeding. The case now stands submitted for decision.

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that the information contained in Columbia's annual update data, along with its data responses, is in sufficient detail to support the reasonableness of Columbia's proposed AMRP rates. The Commission further finds that, in future filings, Columbia should include with its annual update data a breakdown of additions to Account 376.25, Mains-AMRP, showing the length of pipe for each size of pipe installed and in sufficient detail to show the makeup of cost of materials, cost of labor, and non-material items. All future applications requesting AMRP rate increases should be filed no later than March 1.

IT IS HEREBY ORDERED that:

1. The AMRP rates in the Appendix to this Order are approved for billing with Columbia's June 2011 billing cycle effective May 31, 2011.
2. Columbia's Fifth Revised Sheet No. 58 in its tariff should be revised to reflect the date June 2011 as opposed to August 2010.
3. In every future filing of annual update data and application for increased AMRP rates, Columbia shall file the detailed breakdown of additions to Account 376.25, Mains-AMRP, as required herein.
4. Columbia shall file every future AMRP rate increase application no later than March 1.
5. Within 20 days of the date of this Order, Columbia shall file its revised tariffs with this Commission, setting out the AMRP rates authorized herein and reflecting that they were approved pursuant to this Order.
